Coffman Statement on June Unemployment Numbers

(WASHINGTON) - U.S. Rep. Mike Coffman (R-CO) released the following statement today after the Labor Department announced that the unemployment rate ticked up from 9.1% to 9.2%:

“This is just another signal that the policies of the Obama Administration have failed and have created such a level of uncertainty among those who would otherwise be creating jobs but aren’t because they are fearful about the future of the country.”
