(Washington D.C.)- U.S. Representative Mike Coffman’s comment on Israel:

"Friday, the House of Representatives considered and passed by unanimous consent H. Res. 813, "Expressing vigorous support and unwavering commitment to the welfare, security, and survival of the State of Israel as a Jewish and democratic state with secure borders, and recognizing and strongly supporting its right to act in self-defense to protect its citizens against acts of terrorism."

"My thoughts and my support are with Israel as they endure the ongoing rocket terror attacks. Israel is the strongest ally that the United States has in the Middle East. Israel wants peace but cannot suffer these attacks against its innocent civilians without reply."
