Balanced Budget Amendment Caucus
U.S. House of Representatives
Washington, DC 20515

Dear Friends,

American Solutions is a strong supporter of a balanced budget amendment to the U.S. Constitution. We applaud Rep. Mike Coffman's leadership in forming the bipartisan Balanced Budget Amendment Caucus to achieve this goal.

A commitment to a balanced budget without raising taxes forces Congress to deal with issues of out-of-control spending, the record deficit and the growing size of government. If there is a commitment to a balanced budget without raising taxes, government has great incentive to find better and more innovative ways of doing things. We also believe a balanced budget is a key to job creation which is why it is part of our Jobs Here, Jobs Now, Jobs First plan.

We balanced the budget for four straight years in the 1990s while lowering taxes and controlling spending. This achievement permitted us to pay off over \$400 billion in public debt. We can do it again with the same commitment to lowering taxes, controlling spending, and setting of priorities.

American Solutions looks forward to working with the Balanced Budget Amendment Caucus in promoting solutions that will lead to balancing the federal budget and building prosperity for every American.
