Coffman Statement on H.R. 2499, Puerto Rico Bill

(WASHINGTON) - Rep. Mike Coffman (R-CO) released the following statement regarding his opposition to H.R. 2499, the Puerto Rico Democracy Act:

“I am unequivocally opposed to H.R. 2499. Instead of focusing on getting Americans back to work, Democrats have chosen to pursue another unnecessary legislative distraction. I have been vocal about my opposition H.R. 2499 and intended to vote against this bill. I will correct the Congressional Record to reflect my position when Congress reconvenes and will continue to oppose this measure. Should H.R. 2499 come back to the House for a final vote following Senate action, I will vote against it.”
