Coffman Statement on U.S. Judge's Decision to Rule ObamaCare Unconstitutional

(WASHINGTON) - Congressman Mike Coffman (R-CO) released the following statement today in response to U.S. District Judge Roger Vinson's health care ruling:

"Today's decision, once again, rejects ObamaCare by affirming that Congress does not have the authority to force citizens under the commerce clause to buy a product, and punish them with a tax penalty if they fail to do so," said Coffman.
