

I am very interested in hearing your views on issues of importance to you. However, due to the large volume of US Mail, email and faxes I receive, I am only able to respond to messages from residents of the 6th Congressional District of Colorado. Also, Congressional courtesy dictates that Representatives be given the opportunity to assist their own constituents.

If you are resident of another district, I encourage you to contact your Representative in Congress by clicking the following link to the [Write Your Representative Service](#).
