

(WASHINGTON, D.C) - U.S. Rep. Mike Coffman (R-Colorado) today issued the following statement on the Senate Omnibus Public Lands Management Act, S. 22. Major parts of the bill were never considered in any committee in the House or the Senate.

“This is a massive public lands bill that was irresponsibly moved directly to the House floor for a vote without the benefit of a single public hearing. I’m on the House Natural Resources Committee and I will never vote for a public lands bill unless it has a full committee hearing with testimony taken both for and against the major provisions in the legislation.”
