

Follow-up to a constituent question

Question: Will you have to take 'public option' under HR 3200 if you change jobs?

Answer: Nothing specifically says so, but employer-provided health care coverage shall be considered exempt from the additional federal mandates only for a five year "grace period"—after which all the bill's mandates shall apply.

Links to summaries of the healthcare bills

Summaries of House Resolution 3200, America's Affordable Health Choices Act are available from [CRS](#) or the [Committee on Energy and Commerce](#) . A summary of the healthcare bill I am cosponsoring, House Resolution 3400, the Empowering Patients First Act, is available from the [Republican Study Committee](#)
