

## Coffman Honored as Champion of the Entrepreneur

**(LONE TREE, CO)** — Rep. Mike Coffman (R-Aurora) has been honored by the Small Business and Entrepreneurship Council (SBE Council) with the “Champion of the Entrepreneur” award, SBE Council’s highest scorecard ranking, for his voting record in the 111<sup>th</sup> Congress.

“I’m honored to be recognized by the Small Business and Entrepreneurship Council,” Coffman commented. “As a former small business owner, I understand how difficult it can be for small businesses and entrepreneurs to be innovative and to create jobs in uncertain economic times. My top priority is enacting pro-growth economic policies that will give our job creators – small businesses – the certainty they need to grow.”

“Mike Coffman’s record shows that he stood strong with entrepreneurs and against legislation that raised taxes, health coverage costs and regulatory burdens,” stated SBE Council President and CEO Karen Kerrigan. “America’s small business owners need champions like Mike Coffman in the Congress.”

SBE Council is a nonpartisan, nonprofit small business advocacy organization dedicated to protecting small business and promoting entrepreneurship. The findings of SBE Council’s “Small Business Scorecard for the 111<sup>th</sup> Congress,” as well as individual ratings of the U.S. House and Senate members can be found on the SBE Council website.
