

Coffman Statement on his Vote to Repeal ObamaCare

(WASHINGTON) - Congressman Mike Coffman (R-CO) released the following statement today regarding his vote in favor to repeal ObamaCare:

“This health-care law is a budget busting, misguided overhaul of our broken health-care system,” Coffman said. “Although I agree with some parts of the law, such as protecting people with pre-existing conditions, most of it saddles small businesses and individuals with hidden taxes and unreasonable mandates.”
