

Coffman Statement on Passage of Budget Control Act

(WASHINGTON) – Congressman Mike Coffman (R-CO) released the following statement today after voting in favor of the Budget Control Act of 2011:

“As a Marine Corps combat veteran, I see this agreement today as little more than establishing a beachhead in what will be a long and difficult campaign to defeat deficit spending, pass a balanced budget amendment, and to pay down the national debt.

“The agreement doesn’t solve every fiscal challenge but it does move us in the right direction and it is a victory for conservatives because it reduces deficit spending without increasing taxes. By promoting spending discipline we will help the economy grow and create jobs.”
